Flypaper 3 -- Not as catchy, but still going

Peat and repeat climbed a hill to fetch a pail of water.
> Repeat fell in the well. Peat called 911 and all kinds
of people came to help get Repeat out of the hole. One
>policeman started to ask peat some questions, like how
old is the child that fell in the well, is the child
>male or female, and what is the child's name. The answer
 to that last question stumped the cop, so he asked it
>again. Same answer. Beginning to get flustered, he
angrily told peat that if he didn't answer this time,
>he would be thrown in jail. He of course got the same
answer, and thus tossed poor peat behind bars with a 400
>lb. transvestite named Bubba (sadly unfair, ain't it.
 And where exactly is this story going?)
